

**2D Harness Diagram Speedster/VX220, model year 2003**

**Connectors**

X1	Main harness & Battery positive	X15	Main harness & Front passenger door
X2	Main harness & Extension harness, engine	X25	Main harness & Extension harness, contact switch - Driver door
X3	Main harness & Extension harness, engine	X26	Main harness & Extension harness, contact switch - Front passenger door
X4	Main harness & Extension harness, engine	X33	Extension harness, engine & Engine
X5	Main harness & Rear	X34	Extension harness, engine & Battery positive
X6	Main harness & Rear (Fog lamp)	X35	Main harness & Engine
X7	Main harness & Rear (Reversing lamp)	X36	Main harness & Engine
X8	Main harness & Extension harness, boot switch	X37	Main harness & Engine
X10	Main harness & Interior fan	X38	Extension harness, engine & Engine
X12	Main harness & Roll hoop	X40	Main harness & Roll hoop
X13	Diagnostic link	X41	Main harness & Extension harness, fog lamp, front left
X14	Main harness & Driver door	X42	Main harness & Extension harness, fog lamp, front right

**Grounding Points**

1	Chassis front	3	Engine
2	Battery	5	Chassis rear
